

All Saints Catholic Nursing Home AND Rehabilitation Center

"Where Quality Care is a Tradition"

All Saints Catholic Nursing Home and Rehabilitation Center is a non profit skilled nursing home. Archbishop Joseph P. Hurley accomplished his dream of fulfilling the need for a Catholic Home when All Saints opened on Riverside Avenue, February 15, 1956. Relocation to the present site was accomplished on April 25, 1992.

Our priority is to provide continued meaningful living; a spiritual haven; quality medical, nursing and rehabilitative service; delicious nutritional meals; and rewarding, dignified use of leisure time.
